

Hi Class ENT 286,

Kindly please find the supplementary information which it may help you much more understanding on the topic of 'Discrete & Continuous', 'Probability', 'Normal distribution', 'Parameter estimation' etc.

<http://stattrek.com/probability-distributions/discrete-continuous.aspx>

<http://stattrek.com/probability-distributions/normal.aspx>

<http://stattrek.com/estimation/estimation-in-statistics.aspx?Tutorial=Stat>

I hope you all can get benefit on that. Thank you.

-Dr. Tan-
